

nutri + COCO plus GROW A 6-0-6
nutri + COCO plus GROW B 0-4-2

- **High yield**
- **User and environmentally friendly**
- **Directly absorbable**
- **No harmful residues**

Use with coconut fiber only

COCO plus fertilizer was developed for plants grown in coconut fiber. This nutrient-rich solution was formulated in laboratory with high quality minerals and demineralized water by reverse osmosis.

APPLICATION RATE

Shake well before use. Recommended mix to make 1 liter of solution: combine 2 ml of COCO plus GROW A in one liter of water; add 2 ml of COCO plus GROW B and mix well.

CAUTION

Store product in a cold, dry environment away from sun and frost exposure.

SAFETY

Keep out of reach of children. In case of contact with eyes, rinse thoroughly with water and consult a physician.

WARRANTEE

The vendor's warrantee is limited to the terms specified on this label. The end user will therefore be responsible for all risks to persons and property that might result from the misuse or mishandling of this product and will use it only under the above mentioned conditions.
